PERSONAL CARE

DERMEX MECHANIC SOAP

ENGINEERS HAND CLEANER

- FAST ACTING FORMULA
- PLEASANT CITRUS FRAGRANCE
- CONTAINS SCRUBBING AGENTS
- STRONG CLEANING POWER

PRODUCT DESCRIPTION

Dermex Mechanic Soap is an effective hand cleaner with a citrus-oil base for extra strength and mildness. Free from plastic polybeads.

An orange scented hand cleaner, which contains scrubbing agents for added cleaning power, Dermex Mechanic Soap has been manufactured to a carefully controlled non drip consistency.

Suitable to remove oil, grease, ink, bitumen, asphalt, tar, paint, plaster, creosote, mud and ground in soils from the skin. Ideal for use in industrial environments such as garages, workshops, factories, etc.

INSTRUCTIONS FOR USE

Apply Dermex Mechanic Soap to dry hands and rub in well. Rinse off with water and then dry hands.

DERMEX Mechanic Soap is a viscous product and should only be used with a dosing pump designed for thick products or 3L bulk fill dispenser.
